O R D E R:

The Commissioner of Technical Education(CTE), Telangana State, Hyderabad in her letters 2<sup>nd</sup> and 4<sup>th</sup> read above has submitted that Sri Rahul Bojja, I.A.S. 5. As per G.O.Ms.No.122, Higher Education (EC.2) Department, dated 01-09-2005, Condition 4 (4) reads as follows:

"no transfers can be permitted from one University affiliated private college to another University affiliated private college as all the Universities in the State are not following uniform syllabus and uniform system of examination"

Condition 4 (7) reads as follows:

" The applications received from 1<sup>st</sup> of April of every year till the last date of the month in which examinations are completed at 1<sup>st</sup>/2<sup>nd</sup>/3<sup>rd</sup>/year levels shall only be considered and the DTE shall dispose of all the requests received, before commencement of the 2<sup>nd</sup>/3<sup>rd</sup>/4<sup>th</sup> year as the case may be so that the students seeking transfers will not be put to hardship of falling short of attendance."

6. The reasons for delay in applying is informed by the CTE in the reference 4th cited as the parents of Mr. Rohan Bojja planned to apply for the transfer to the home State early this year but the student was wanting to make a final effort to continue in the previous Institute as it is a National Institute, but unfortunately the health issues instead of showing positive progress, grew much worse and they needed to rethink on the decision. When they finally decided to go ahead with the transfer, the process of getting NOC from IIIT, Chittoor, which is an MHRD Institution took time. The parent of Mr. Rohan Bojja i.e. Sri Rahul Bojja, I.A.S., in the meanwhile had to go to the Princeton University for pursuing his further education as per the guidelines of the Department of Personnel Training, Govt. of India. The delay in obtaining of the NOC and the parents needing to come down to India were the reasons for the delay. The decision of his ward to try and work things out at his former Institute, was also a reason which made the process begin a little late. The CTE has stated that the explanation given by the parent may be considered.

7. The Government, after careful examination of the matter and in relaxation of the conditions in paras 4(4) and 4(7) of the G.O 1<sup>st</sup> read above, hereby accord permission for transfer of Mr. Rohan Bojja, B.E.(CSE) Course, IInd Year from Indian Institute of Information Technology, Chittoor, A.P. to MVSR Engineering College, Nadargul, Hyderabad (Affiliated to OU, Hyderabad), in the 2nd year, provided he is promoted to the 2nd Year and as per the conditions of Osmania University mentioned at Para 3 above, in B.E.(CSE) Course, on medical grounds, for the Academic Year, 2017-18 and also subject to the condition that he has to fulfill the Academic Regulations of Osmania University, Hyderabad, as mentioned at Para 2 above. The transfer is under Management Quota.

8. The Commissioner of Technical Education, Telangana State, Hyderabad / Secretary, Telangana State Council of Higher Education, Hyderabad / Registrar, Osmania University, Hyderabad, shall take necessary further action in the matter, accordingly.
